arep robbing into the case of four juveniles charged with attempted arson. Jake Zwaagstra, of the Palos Verdes Dairy, 22845 Hawthorne, said four boys, about 10 years old, set fire to some hay outside the barn.

THE INTRUDERS pried a door open from the inside to get the loot out of the building, police were told. William Gomez, 1055 W. 204th St., reported that a tool box valued at \$50 was taken from his car parked near a cafe near Arlington about 12:13 a.m. Sunday.

THEFT OF A woman's suitcase and a man's suitcase from an unlocked garage the past eight to 10 weeks was reported to police by George DeFlorio, 30, of 22314 Ward St. R. A. Lowe, contractor of the firm of Williams and Lowe, Anaheim, reported to Torrance police Monday morning the theft of \$300 worth of plywood from Shopper's Market, Pacific Coast Hwy. and Crenshaw Blvd., where the concern was working. The pilfering occurred the past weekend.

F. G. CECIL, 4202 W. 176th St., told police that someone late Monday night or early Tuesday unhooked a screen of the rear window of the residence, entered, and took a stereo camera valued at \$135, and a number of other articles, including a projector, light meter, flashgun, gadget bag, jewelry box, pieces of costume jewelry, and a woman's wristwatch. Total value of the goods wasn't listed. The thief or thieves left by the rear door, police said.

Council Grants Pay Boost to City Janitors

Torrance City Council Tuesday night voted to raise custodians another 2 1/2 per cent in salary, to a total of 5 per cent, but tabled action on giving another 2 1/2 per cent boost to some city employees. The city recently granted a full 5 per cent salary hike to most employees but gave others 2 1/2 per cent. Councilman George A. Bradford moved for the custodians to get the other 2 1/2 per cent as "they deserve it." The motion finally passed.

at the session on behalf of Local No. 1135 seeking the other 2 1/2 per cent boost. He said it was bad for the morale of employees who had not received the full 5 per cent increase when others had gotten it. IT WAS pointed out at the session that Torrance city employees already receive well above the average salary for similar jobs in cities comparable to Torrance. In other action, Council voted against consolidation of voting precincts in the April, 1960, general municipal election. It had been reported that by using some 80 precincts, costs of \$9869 could be saved. At present the city has 158 county voting spots. In the case of the city vs. the Dominguez Water litigation, Council agreed to postpone any action until a decision is made by the PUC. The city and the water firm had entered into a 10-year contract, with stipulation that after this time, water rights revert to the city. A recent decision by the PUB was so confusing that interested parties asked for another clearer ruling.

LEASE OF 8.4 acres on the northwest corner of Pacific Coast Hwy. and Crenshaw as filled out by Ray A. Watt, George M. Eltinge and W. E. Hoppe was accepted by Council with the stipulation that the city receive 1/4 cent a gallon from gasoline pumped at the station. Council also gave the green light to establishing a traffic safety council providing members are residents of Torrance, and also voted for setting up a civic center promotion committee, members to be residents, however. COUNCIL passed on second reading an ordinance authorizing the city clerk to receive extra pay for extra duties, and on second reading amended ordinance 1117 by adding certain positions with their salary range to the position classification plan of city employees.
